**Christian Club**: We'll meet in Room 615 again today. Please join us

**Today is Guitar Club** We have had a great start this year and it is only getting better. Our thanks go out to the Rein family for donating a guitar to the club. We now have one more guitar to share among our players who can't bring their "axe" to school. Whether you can bring a guitar or not, whether you know how to play or not, if you have an interest in guitar, stop by room 202 at lunch this Friday to jam and discuss club benefits like discounted strings and picks through collective buying power. Rock on Guitar Club!

**The Library will be hosting our first event next Friday, Sept 10 called Books and Bites.** If you read a good book this summer you can come into the library, eat your lunch and share the book you read with others during lunch time. Stop by the library and sign up to get a ticket for Books and Bites. We want to also invite Staff members to join us. It will be a lot of fun and each month we will have a different theme for books to share.

**Counseling Corner:** Any student that has signed up for the PSAT test in October, please come by the counseling office room 411, to pick up your receipt for payment anytime during your open times. Thank you....

**The Library** will be open to all students starting Monday, August 23 at 8:15 am. Students may also come to the library at brunch, lunch and after school to do homework or check out library books. Remember that you must have an ID card to check out books. We have lots of fun activities planned for the school year so be sure to check it out!

**PE Make-ups.** If you are absent, you need to come and do a make-up. We are available every Tuesday after school and Thursday at 7:50 am
